ADVANCED STEPPED HULL
designed by Adam Younger

Northstar's all new ORION series offers a lot of industry leading features and comes equipped with a long list of standard equipment. All of the ORION series have stepped hulls designed by Adam Younger, providing an ideal combination of efficiency and seakeeping. ORION 7 and ORION 8 have a console with a chemical head inside. Carrying on with the minimalist Northstar design philosophy, ORION RIBs is the new benchmark in mid-range cruising RIBs.
